

# Doubt

Charlotte Day Wilson

I'm done with doubt  
I'm done with your game  
Cause I've been away  
And I've been thinkin'  
I may not always have  
The comfort of you  
As you tread and I fall like a fountain  
Falling for you  
Oh but what have I done?  
Tell me what have I done

Ohhh ohh what have I done for your love?  
Ohhh ohh...  
Ohhh ohh I'm selfish and dumb for your love

I've dealt with doubt  
I've dealt with your game  
And I hear your pain  
And I hear you thinkin'  
You haven't always had  
The comfort of truth  
But comfort had never had you  
Ohhh ohhh Ain't it true?  
Oh but what have I done?  
Tell me what have I done

Ohhh ohh what have I done for your love?  
Ohhh ohh...  
Ohhh ohh I'm selfish and dumb for your love

Ohhh ohh what have I done for your love?  
Ohhh ohh...  
Ohhh ohh I'm selfish and dumb for your love

Ohhh ohh what have I done for your love?  
Ohhh ohh...  
Ohhh ohh I'm selfish and dumb for your love

Ohhh ohh what have I done for your love?  
Ohhh ohh what have I done for your love?  
Ohhh ohh...  
Ohhh ohh I'm selfish and dumb for your love
