

# Just The Same

Charlotte Lawrence

Just a little bit tired of you  
Just a little bit lonely for you  
Just a little bit high, get out of my mind  
'Cause I can't stop thinking of you  
Feel a little bit sorry, but I wanna get on it with you  
I don't wanna waste time  
I don't wanna say bye, no

I feel it in my head, feel it in my heart, feel it in my body  
But I can't say no  
No, I can't say no  
You're playin' with my head  
Playin' with my heart  
Playin' with my body  
But I can't let go  
No, I can't let go

I fuckin' hate you  
But I love you just the same  
You tear my heart out  
In just the perfect way  
So fuckin' twisted, the way I play your game  
But I can't help it  
I love you just the same  
I love you just the same  
(I love you just the...)

I'm a little bit crazy for you  
Just sitting here waiting for you  
I'm a little bit down  
I'm just gonna go out  
I don't wanna be home without you  
Feel way too sorry  
But I'm gonna get on it with you  
It's the middle of the night  
And I'm not saying bye, no

I feel it in my head, feel it in my heart, feel it in my body  
But I can't say no  
No, I can't say no  
You're playin' with my head  
Playin' with my heart  
Playin' with my body  
But I can't let go  
No, I can't let go

I fuckin' hate you  
But I love you just the same  
You tear my heart out  
In just the perfect way  
So fuckin' twisted, the way I play your game  
But I can't help it  
I love you just the same  
I love you just the same  
I love you just the same  
I love you just the same  
(I love you just the same)

I fuckin' hate you  
But I love you just the same  
You tear my heart out  
In just the perfect way  
So fuckin' twisted, the way I play your game  
But I can't help it  
I love you just the same

I fuckin' hate you  
But I love you just the same  
You tear my heart out  
In just the perfect way  
So fuckin' twisted, the way I play your game  
But I can't help it  
I love you just the same  
I love you just the same  
I love you just the same
