## **Elderly Woman Behind The Counter In A Small Town**

**Charlotte Martin** 

I seem to recognize your face Haunting, familiar But I can't seem to place it

Cannot find the candle of thought To light your name Lifetimes are catching up with me

All these changes taking place I wish I'd seen the place But no one's ever taken me

Hearts and thoughts they fade Fade away Hearts and thoughts they fade Fade away

I seem to recognize your breath Memories like fingerprints They are slowly raising

Me, you wouldn't recall
For I'm not my former
It's hard when you're stuck upon the shelf

I change by not changing at all Small town predicts my fate Perhaps that's what no one wants to see

I just want to scream, "Hello"
My God, it's been so long
Never dreamed you'd return
But now here you are and here I am

Hearts and thoughts they fade away
Hearts and thoughts they fade
Fade away
Hearts and thoughts they fade
Fade away
