

# Monster

Charlotte Martin

I'm so uncertain of what's growing in my head  
That's how it goes when there are ghosts to put to bed  
What does it want from me  
Certificates of certainty  
There must be help around the bend

Oooh what would I do  
Without you  
What would I do

Am I it's brother, it's mother and it's son  
Am I the product of everything it's done  
Am I a woman 'cause I'm scared to be a man  
I'm reaching deep inside with everything I am

One by one the voices make their rounds  
I can't believe  
The monster I have hidden in my mouth  
It has to scream

Oooh what would I do  
Without you  
What would I do

Oooh what would I do  
Without you  
What would I do

One by one the voices make their rounds  
I can't believe  
The monster I have hidden in my mouth  
It has to scream  
All at once I give into it's sound  
Remembering  
The monster I have hidden in my mouth  
It has to sing  
It has to sing  
It has to sing

Did I just have to live the chapter on regrets  
Should I just tell myself it's easy to forget  
I cannot face my pain the same familiar way again  
'Cause we are more than who we are  
We are  
We are  
We are

Oooh what would I do  
Without you  
What would I do

Oooh what would I do  
Without you  
What would I do

Oooh what would I do
