

Where Is The Cure

Charlotte Martin

A dog named elvis ? bites
Dj ? sheep ? eyes
I learn to clean it before it ?
Uriah's falling underneath

Some air smells bad or stale
I knew you hate me
Knew you hate

I can't die again
I can't lie again
I can't love again
I can't run again

Where is the cure?
Anything cure
Communion of hate
Twisted ?
Dreaming in red
Answer in head
Where is the cure?
Where is the cure?

Too many drugs - i'm out of veins
The pressure drops each time you rain
I learn to heat it before it swells
I learn to suck it before it wells

Some girls are thin or fat
Learn to love me like that

I can't die again
I can't lie again
I can't love again
I can't run again

Where is the cure?
Anything cure
Communion of hate
Twisted ?
Dreaming in red
Answer in head
