

# Here Comes Another

Charlotte OC

I don't know why  
Why I drank last night  
And every night  
Before last night  
Take it out, take it back now  
Take a shot, throw it back  
I don't know why

But I'm wide awake  
Staying up too late  
Why am I awake?  
How did I end up this way?  
Take a drag, smoke it back now  
I should quit, I know it's bad  
God knows I tried

All alone, alone in my bed  
Living all my mistakes  
Living all my mistakes  
Under the covers  
Making all my demons my friends  
Here are all my mistakes  
Here are all my mistakes  
Here comes another

And I scare myself  
Strange rebellion against my health  
Maybe I should get some help  
Sort it out, talk it out, babe  
Leave the house, you're heading south  
Going straight to hell

All alone, alone in my bed  
Living all my mistakes  
Living all my mistakes  
Under the covers  
Making all my demons my friends  
Here are all my mistakes  
Here are all my mistakes  
Here comes another

Why am I why am I why am I away?  
Why am I why am I why am this way?  
Why am I why am I why am out this late?  
Who will I, who will I be today?

All alone, alone in my bed  
Living all my mistakes  
Living all my mistakes  
Under the covers  
Making all my demons my friends  
Here are all my mistakes  
Here are all my mistakes  
Here comes another

All alone, alone in my bed  
Living all my mistakes

Living all my mistakes  
Under the covers  
Making all my demons my friends  
Living all my mistakes  
Here are all my mistakes  
Here comes another
