

# All I Want Is You

Charlotte Perrelli

You, you make my heart beat faster  
Than speed of light  
So say you will  
Or say you won't  
Yeah, won't you give me a sign  
So I can sleep at night  
So say you do  
Or say you don't

Hey -if you say that you want me tonight  
Then all my wishes will come true  
Cause all I want is you!  
Every night, every day  
Yeah, all of the way  
You melt my mind of ice  
And set my heart on fire

You! -You set my mind in motion  
And my heart on fire  
So say it's right - Or say it's wrong

Yeah, you got me shouting and screaming  
Out in pure desire  
So lift me up - Or let me down

Hey -if you say that you want me tonight  
Then all my wishes will come true  
Cause all I want is you!  
Every night, every day  
Yeah, all of the way  
You melt my mind of ice  
And set my heart on fire
