

# Little Braveheart

Charlotte Perrelli

Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh

Looks strikes I got them, get out the door  
Midnight to moonlight, makes me want more  
Can't stop the dancing, out of control  
Let's go, let's go, oh, oh, oh, oh,

Come girl we gonna, check up the fun  
Do things we can do, under the sun  
Can't stop the crazy, out of control  
Let's go, let's go, oh, oh, oh, oh,

Little braveheart beat for me  
And take me to the heat  
We're dancing on the street  
Little braveheart beat for me  
And get me to the core  
Cause baby I want more  
More, more, more, more, more

Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh

Let's sip a wine and no one wants to go home  
Party nights and no one dances alone  
Get on the dance floor get to the go  
I know, I know, oh, oh, oh, oh, oh

Little braveheart beat for me  
And take me to the heat  
We're dancing on the street  
Little braveheart beat for me  
And get me to the core  
Cause baby I want more  
More, more, more, more, more

Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh

Gonna get the party started  
Gonna get my pumps up shine

Little braveheart beat for me  
And take me to the heat  
We're dancing on the street  
Little braveheart beat for me  
And get me to the core  
Cause baby I want more  
More, more, more, more, more

Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh X 2
