

# Still Young

Charlotte Perrelli

Times moving on  
But it's never too late  
No, it's not over yet  
I still have some bets left to make

And it won't be easy  
I probably make some mistakes  
But I'll do anything  
No matter how much it will take

'Cause we're still young  
We are invincible  
And there's no protocol  
No crystal ball  
That knows it all

'Cause we're still young  
Nothing's impossible  
You know there ain't no dream  
Too far to reach  
For you and me  
'Cause we're still young

I'm thinking back  
Back to when we were kids  
I could never have figured  
We'd ever have something like this

We're getting older, but  
You know I still feel the same  
You know I'll do anything  
No matter how much it will take

'Cause we're still young  
We are invincible  
And there's no protocol  
No crystal ball  
That knows it all

And you know we are young  
We're just getting started  
And it's the beginning

All that we wanted  
Is still in our hands  
And I'll do whatever it takes

'Cause we're still young  
There ain't no protocol  
No crystal ball  
That knows it all

Invincible  
We can't be wrong  
'Cause we are young

'Cause we're still young

We are invincible  
And there's no protocol  
No crystal ball  
That knows it all

'Cause we're still young  
Nothing's impossible  
You know there ain't no dream  
Too far to reach  
For you and me  
'Cause we're still young
