

Brilliant Broke And Beautiful

Charlotte Sometimes

Brilliant, broke and beautiful
Brilliant, broke and beautiful
Cause that's what we are
Brilliant, broke and beautiful
Brilliant, broke and beautiful

I know that you think I care
I know that I deserve the repair
I know that you think that I'm often the clouds
But you don't get it now
Yea, they don't get us now

I know that you think I care
I know that I deserve the repair
I know that you think that I'm often the clouds
But you don't get it now
Yea, they don't get us now

At least my friends can witness me

Cause that's what we are
Brilliant, broke and beautiful
Brilliant, broke and beautiful

I know that you wanted the truth
But you don't wanna hear it but it's coming through
I know that you think that I am confused
But I can stand my ground
Yea, we can stand
