

# Ooh Love

Charlotte Sometimes

Hello  
Are you thinking about me  
Thinking about you  
How long do you dream about me  
Dreaming about you

When you sleep  
If all you see is a lost inside? of me  
When my hair brushes my shoulders  
When I cry, be that tissue  
Ooh love  
I feel it now more than ever  
I feel so good underneath  
Ooh love  
Love

No stay  
Seeing it all through  
Needed to be you  
Stay here  
Being so lonely  
Falling if only

When my hair brushed my shoulder  
When I cry be that tissue  
Ooh love  
I feel it now more than ever  
I feel so good underneath  
Ooh love  
Love

Ooh my weight keeps lifting  
The ground beneath me shook  
And I am wishing you to me  
Come on baby let me see you

When my hair brushed my shoulder  
When I cry be that tissue  
Ooh love  
I feel it now more than ever  
I feel so good underneath  
Ooh love  
Love  
Love  
Love
