

Sideways

Charlotte Sometimes

Oh I've been thinking past
But all I got is now
But it's all good 'til it's not
And he really freaks me out
Whatever that's about
But it's all good 'til it's not
It's all gold 'til it stops

I always punctuate.
The words I used to hate.
But it's all good 'til it's not
It's all good 'til it stops

Sleep. nobody sleeps.
Nobody sleeps.
That's always sideways.
They want you to.
Then inside it's true.

The books I read
They make faces
They are so mean
It's all good 'til it's not
It's all gold 'til it stops

Sleep. nobody sleeps.
Nobody sleeps.
That's always sideways.

Everything I ever wanted
Everything I always asked for
Just turned to dust.
I'm looking now
I'm headed in
I thought that I was built to win
But I don't
But I don't

Sleeps. nobody sleeps.
Nobody sleeps.
Well nobody...

Sleep. nobody sleeps.
Nobody sleeps.
That's always sideways.
That's always sideways.
That's always sideways.
