Charly Black

If yuh come to party put yo hands up
Yuh appreciate life put yo hands up
Liquor inna yo cup put yo hands up

From yo mentioned party yo know seh yo call mi name
Mi dash weh mi stress and go release mi strain
Music meck mi feel so free, free, free
So mi never say no to di party train
Send fi ciroc and mi chaser
Any liquor mi drink mi can pay fa
High grade keep mi mind at ease
Plus every cute girl in yah a get tek weh lata

Happiness mi a deal wid, happiness
Cyaa bother wid di sadness
Sadness lead to madness

Happiness mi a deal wid, happiness
Cyaa bother wid di sadness
Sadness lead to madness

Music is di healing of di nation
Just like di trees and di grave of king Salomon
So mi a go laugh and talk, and dance and drink
Wid mi team and supple do wi strong
Waitress don't meck mi ask fi no ice
Or else mi naw tip yuh because mi feel so nice
Prime minister stop fight dancehall
Yuh a kill wi wid tax but a music meck wi rejoice
