Charly Bliss

I don't wanna stop and chat  
And I don't wanna smile back  
I think he wants to eat my face  
I think he wants to put me in my place

Keys are cold between my fingers  
He's so big and getting bigger  
One stop shop until he's full  
I want to make you feel uncomfortable

In your dreams (In your dreams)  
In your dreams, turd  
In your dreams (In your dreams)  
In your dreams

You seem smart and you seem nice  
But you really ruined someone's life  
Over something so small, just one night  
Are you sure that you're remembering it right?

In your dreams (In your dreams)  
In your dreams, turd  
In your dreams (In your dreams)  
In your dreams

In your dreams (In your dreams)  
In your dreams (In your dreams)  
In your dreams (In your dreams)  
In your dreams (In your dreams)

In your dreams (In your dreams)  
In your dreams (In your dreams)  
In your dreams (In your dreams)  
In your dreams, turd

In your dreams (In your dreams)  
In your dreams, turd  
In your dreams (In your dreams)  
In your dreams

In your dreams (In your dreams)  
In your dreams (In your dreams)  
In your dreams (In your dreams)  
In your dreams, turd
