

I'm Not The Reason (He's Not Your Man)

Charly McClain

Today, you walked right by me and didn't say a word
But if a single look could kill, I'd be fatally hurt
It's too easy just to blame me and go
It's one thing if I'm guilty, but there's somethin' that you ou
ghta know

I'm not the reason he's not your man
Your love was over when our love began
He'd never have left you if there'd still been a chance
No, I'm not the reason he's not your man

He told me that he loved you and still cares for you, now
But you both changed in different ways, and so did love, someho
w
And I need him just the way he needs me
It's one thing if I'm guilty, but there's somethin' that you ju
st can't see

I'm not the reason he's not your man
Your love was over when our love began
He'd never have left you if there'd still been a chance
No, I'm not the reason he's not your man
I'm not the reason he's not your man
Your love was over when our love began
