

Devil Is A Woman

Charm City Devils

Hey Son I never told anyone
about what mama done
Devil Is A Woman

Hey son I never told anyone
I saw her kiss another man
Hey Son I never told anyone
about what mama done
Hey son I never told anyone
never trust anyone anyone

All I know
is what I see
and the bitch I see
makes me believe

The Devil is a woman
Resist her if I could
The Devil is a woman
Bad girl ya make me feel good

The Devil is a woman
Resist I now I should
The Devil is a woman
Bad girl ya make me feel good

Hey Son I never told anyone
about what daddy done
Hey son I never told anyone
he gambled our whole life away
Hey Son I never told anyone
about what daddy done
Hey son I never told anyone
sins of the Father they don't fade

All I know
is what I see
and the bitch I see
makes me believe

The Devil is a woman
Resist her if I could
The Devil is a woman
Bad girl ya make me feel good

The Devil is a woman
Resist I now I should
The Devil is a woman
Bad girl ya make me feel good

yeah ya make me feel good
I'm gonna make ya feel good

The Devil is a woman
Resist her if I could
The Devil is a woman
Bad girl ya make me feel good

The Devil is a woman
The Devil is a woman
The Devil is a woman
The Devil is a woman

Oh girl ya make me feel
I'm gonna make ya feel
Oh girl ya make me feel good
