

Let's Rock-N-Roll (Endless Road)

Charm City Devils

So let's rock-'n'-roll,

Stepped off the train and
I told myself there's no way back,
It's in my veins,
Got a one way mind on a one way track,
I'll never die,
And I'm never gonna stop,
I got to keep on living,
Like this is all I got,

So let's rock-'n'-roll,
I'm just an endless road,
I guess I sold my soul,
I gave I everything I had to rock-'n'-roll,

Stepped off the plane,
And I told myself there's no way back,
It's in my veins,
Got a heart of gold that's tarnished black.
I'll never die,
And I'm never gonna stop,
Got to keep on living,
Like this is all I got,

So let's rock-'n'-roll,
I'm just an endless road,
I guess I sold my soul,
I gave I everything I had to rock-'n'-roll,

So let's roll!
Save my soul!

So let's rock-'n'-roll,
I'm just an endless road,
I guess I sold my soul,
I gave I everything I had to rock-'n'-roll,

So let's rock-'n'-roll,
I'm just an endless road,
I guess I sold my soul,
I gave I everything I had to rock-'n'-roll,

So let's rock-'n'-roll,
I'm just an endless road,
I guess I sold my soul,
I gave I everything I had,
I gave everything I had,
I gave everything I had,
To Rock-'n'-roll!
