Charm City Devils

I am the ugly in every man  
And I am a victim of circumstance  
And I am another animal  
When I'm locked and loaded I'm

Unstoppable!  
Unstoppable!

I'll handle this, I'll handle this, I'll handle this now!  
Read my lips, I'll never quit, I'll never quit, now!  
Light the fire in my head!  
You can try but you can't hide because...

I am the ugly in every man  
And I am a victim of circumstance  
And I am another animal  
When I'm locked and loaded I'm

Unstoppable!  
Unstoppable!

You can bet, you can bet, you can bet yeah  
You'll regret, you'll regret, you'll regret your  
You're playing with my head!  
You can try but you can't hide because...

I am the ugly in every man  
And I am a victim of circumstance  
And I am another animal  
When I'm locked and loaded I'm

Unstoppable!

I! I! I! (I'm unstoppable)

And I am a victim of circumstance  
And I am another animal  
When I'm locked and loaded I'm
