

I THINK I'M LOST AGAIN

Chase Atlantic

(Yeah yeah, yeah yeah)
Yeah, Yeah
Too dangerous
Keep a Smith n' Wesson, it's stainless
It says a lot about the person I'm becoming
How ironic that I don't trust strangers? Yeah
I've never felt this tired
Have you ever seen a grown man cry?
I'm anxious as fuck and my brain is a puddle of hope and narcotics combined

I'm so sick and tired, of feeling sick and tired (Yeah)
It's not easy, yeah, yeah, shit
I'm so sick and tired, of feeling sick and tired
Yeah, yeah

'Cause I think I'm lost again
Promise to keep my oxygen now (Yeah yeah)
This world is big, it will kill me if I don't figure shit out
I think I'm lost again
God's in charge of my oxygen now
This world is big, it'll kill me if I don't figure it

I'm so sick and tired of feeling sick and tired (Yeah)
It's not easy, yeah, shit
Said I'm so sick and tired of feeling sick and tired
It's not easy (Yeah, yeah)

Too famous
Working in the valley for a payment
Yeah, I'm jaded, stressed out
Drinking while I'm driving 'cause I'm brainless
I think I'm lost again
God has taken my oxygen (Oh)
It's not easy, yeah

'Cause I think I'm lost again
Promise to keep my oxygen now (Yeah yeah)
This world is big, it will kill me if I don't figure shit out (Yeah yeah)
I think I'm lost again
God's in charge of my oxygen now
This world is big, it'll kill me if I don't figure it

I'm so sick and tired of feeling sick and tired (Yeah)
It's not easy, yeah, shit (Yeah)
Said I'm so sick and tired of feeling sick and tired
It's not easy, yeah (Yeah)

I think I'm lost again, yeah
This world is big, it'll-
I think I'm lost again, yeah
This world is big, it'll-
