

Meddle About

Chase Atlantic

Come and get it now
Come and get it now
Baby show me what you're doing
Come and turn around
Cause it's not just a figure of speech
You got me down on my knees
It's getting harder to breathe out

We only met each other just the other day
But you already got me feeling some type of way
Now, if I could figure it out
I'd take you back to my house
So we could meddle about
We could meddle about
Woah oh oh oh
We could meddle about
Noo oh oh oh oh
We could meddle about
Woah oh oh oh
We could meddle about

Girl just scream it out
Tell me what you're thinking
Oh I wanna see you undress now
I wanna hear you confess now
Now, oh

We only met each other just the other day
But you already got me feeling some type of way
Now, if I could figure it out
I'd take you back to my house
So we could meddle about
We could meddle about
Woah oh oh oh
We could meddle about
Noo oh oh oh oh
We could meddle about
Woah oh oh oh
We could meddle about

Back to my house, so we can
Back to my house, so we can
Meddle about
Meddle about

Come and get it now
Come and get it now
Baby show me what you're doing
Come and turn around
Cause it's not just a figure of speech
You got me down on my knees
It's getting harder to breathe out

We only met each other just the other day
But you already got me feeling some type of way
Now, if I could figure it out
I'd take you back to my house

So we could meddle about
We could meddle about
Woah oh oh oh
We could meddle about
Noo oh oh oh oh
We could meddle about
Woah oh oh oh
We could meddle about
