Chase Atlantic

Heard you got a heart, let me see  
Heard you got a heart, let me see  
I need you to split that thing with me  
Yeah, I need you to split that thing with me, girl  
Heard you skipping meals, losing sleep  
Well, I've been doing the same honestly  
Well, I look like a fucking walking corpse, girl  
Say the words, "R.I.P." 'cause

My tolerance is going up  
And I'm getting numb to the feeling, yeah  
And I've been abusing drugs  
I'm getting numb to the feeling, yeah  
I need you to show me love  
'Cause I'm getting numb to the feeling, yeah  
I need you to ride me harder when we fuck  
'Cause I'm getting numb to the feeling, whoa  
I'm getting numb to the feeling  
I'm getting numb to the feeling, yeah  
I'm getting numb to the feeling

I heard you and your friends have been geekin' out, yeah  
Don't freak them out, the weed is loud, yeah

Don't you get 'em in the brains, girl  
Dropped from heaven, now you're in the plains, girl  
I'd up in your jeans, like a, like I mean it, yeah, oh

My tolerance is going up  
And I'm getting numb to the feeling, yeah  
And I've been abusing drugs
