

Yuh  
Red eyes, back dragon  
Fuck I think the nitrous did damage  
I can't feel my legs, yet I'm standing  
I barely make it down the stairs without panic  
Woah, I won't let it set me off  
Mental pressure; only text her when I'm nodding off  
I let it fly with all your friends and get them all involved  
Feel depression like you've never felt it hit at all

Slide  
I can see the pain in your eyes  
I don't wanna say that I'm god, but  
I'll take you to heaven if you die  
Yeah slide  
I know that you've never been this high  
Promise baby I'll take you to heaven if you want it  
I'll take you to heaven if you die

I'm so impatient, self-medicated  
Caught in a daze I persuade her with my own complications  
Says I'm stuck in my ways; that's understated  
One in the chamber, I shot back  
Then she told me I should speak up  
"I can't even hear you through the speaker"  
I don't talk to girls without no purpose  
Lying to me baby make it worth it  
Maybe earn it  
They don't deserve it

I can't feel my legs, I can't feel my legs  
Yeah, hop right on the ledge, jump right off the edge  
Maybe I'll feel this, yuh yuh

Slide  
I can see the pain in your eyes  
I don't wanna say that I'm god, but  
I'll take you to heaven if you die  
Yeah slide  
I know that you've never been this high  
Promise baby I'll take you to heaven if you want it  
I'll take you to heaven if you die

Slide  
So I can feel the pain in your eyes  
I could say the same 'bout my life  
We are all same, we all lie  
Slide  
I can see the pain in your eyes  
I still feel you in my dreams

Slide  
I can see the pain in your eyes  
I don't wanna say that I'm god, but  
I'll take you to heaven if you die  
Yeah slide  
I know that you've never been this high

Promise baby I'll take you to heaven if you want it  
I'll take you to heaven if you die
