

# STRANGER THINGS

Chase Atlantic

Yeah

You probably shouldn't call, it's the worst time  
I've been up for days, and my brain's fried, yeah  
Don't mistake me for a wise guy (Wise guy)  
But if I bought the drugs, then they're all mine, love  
I can't believe what they've done to me, yeah  
She's on her knees, shit, I'm kinda freaked out  
It's three degrees, I can barely breathe, yeah  
It's getting weird now

But stranger things have happened in the nighttime (Woo)  
The way that things are going, shit, I might die (Yeah)  
And these chemicals around me got me sky high  
Oh yeah, oh yeah, oh yeah  
But stranger things have happened in the nighttime (Woo)

Oh yeah, oh yeah  
Oh yeah, oh yeah

Lying on the floor with a nosebleed

Girl, just take it easy, maybe don't breathe  
I've been f\*ckin' wired, yeah, I'm so deep  
Everyone around me gettin' no sleep, but  
I take it all, yeah, I take it all  
It's Adderall, bouncin' wall to wall, yeah  
It's not my fault that she's this involved  
It's getting weird now

But stranger things have happened in the nighttime (Woo)  
The way that things are going, shit, I might die (Yeah)  
And these chemicals around me got me sky high  
Oh yeah, oh yeah, oh yeah  
But stranger things have happened in the nighttime (Woo)  
But stranger things have happened in the nighttime
