

# Killin' My Buzz

Chase Bryant

Got me a bottle  
Got me a bag  
Just sitting here looking at a brand new pack of cigarettes  
And a Polaroid picture of the best that I ever had

Got me a lighter  
Got me some gas  
Gonna head out back and see how fast it turns to ashes  
But baby, the fact is

That you're still dancing in my mind  
And no matter how hard I try

I still see your blue eyes crying  
Soaked in a blue sky rain  
I still see your tail lights flying  
Fast as a midnight train  
And I get high  
I get drunk  
But baby, I can't get gone enough  
Cause you're killin' my  
Yeah, you're killin' my buzz  
Yeah, you're killin' my  
Yeah, you're killin' my buzz

I got me some buddies  
Getting real tired  
Of hearing bout you  
Every Friday night

But they ain't going through hell  
Oh, seeing you with someone else

I still see your blue eyes crying  
Soaked in a blue sky rain  
I still see your tail lights flying  
Fast as a midnight train  
And I get high  
I get drunk  
But baby, I can't get gone enough  
Cause you're killin' my  
Yeah, you're killin' my buzz  
Yeah, you're killin' my  
Yeah, you're killin' my buzz  
Yeah, you're killin' my buzz

Well, I get high  
I get drunk  
But baby, I can't get gone enough

Still see your blue eyes crying  
Yeah, they're soaked in a blue sky rain  
I still see your tail lights flying  
Fast as a midnight train  
Yeah, I get high  
I get drunk  
But baby, I can't get gone enough

Cause you're killin' my  
Yeah, you're killin' my buzz  
Yeah, you're killin' my  
Yeah, you're killin' my buzz  
Yeah, you're killin' me, baby  
Oh, you're killin' my buzz  
I still see your blue eyes crying in the rain, oh
