

Paradise

Chase Bryant

You're prettier than Paris
Hotter than California
Better than some beach somewhere south of the border
Girl, you get me higher than Denver
Light me up like Times Square
Get to see it all, ain't gotta go nowhere

You're my kinda paradise
I could spend forever right here tonight
I see heaven in your eyes
Every time you put your lips on mine
You're my kinda paradise
You're my kinda paradise

I don't need no white sand
No sunset on the water
I just need an angel
Sent from the Holy Father
I don't need no vacation
No far-out destination
Yeah, all I need is you here with me, baby

You're my kinda paradise
I could spend forever right here tonight
I see heaven in your eyes
Every time you put your lips on mine
You're my kinda paradise
You're my kinda paradise

You're my kinda paradise
I could spend forever
'Cause I see heaven in your eyes
Every time you put your lips on mine
You're my kinda paradise
You're my kinda paradise
I could spend forever
