

I Loved You Once

Chase Coy

I loved you once
Clothed in the summer sun
Stealing away and counting the days
Did we take too much?

I loved you once
Enough for the both of us
But you fed it all to the fire
And now it's gone

You can be just some stranger to me
If that's what you want
But I loved you once

I loved you once
Clothed in the setting sun
And I never thought that the ending would come
But we were young

You can be just some stranger to me
If that's what you want
But I loved you once

You can be just some stranger to me
If that's what you want
But I loved you once
