

What I'm Thinking

Chase Coy

Don't you
Don't you guess what I'm thinking
My thoughts seem so shallow
But I drown in them

I don't
I don't want you to discover
That maybe my mind just ain't right
Maybe my mind just ain't right

I don't want to say, so baby don't ask
You just have to wait, I swear this will pass
I just need some time to kill off these doubts
So baby don't guess what I'm thinking right now

Don't you
Don't you know that I'm trying?
Don't you know that I want this love, it's true

I just
I just want you to trust this
I get lost in my mind, but I will always come back to you

I don't want to say, so baby don't ask
You just have to wait, I swear this will pass
I just need some time to kill off these doubts
So baby don't guess what I'm thinking right now

I get trapped inside these selfish thoughts
Don't ask if it's fair or not

I don't want to say, so baby don't ask
You just have to wait, I swear this will pass
I just need some time to kill off these doubts
So baby don't guess what I'm thinking right now
