

# County Line

Chase Matthew

I've should've known better  
Than to give that girl a chance  
I wish I never met her  
'Cause now she's with another man  
Maybe he can dance better than I can  
Maybe he's got them softer bitch boy hands  
Maybe he can keep you out this town

And maybe stay on your side of that county line  
'Cause you've got your friends, darlin', I've got mine  
I heard you're in town, been ridin' around  
With somebody new and probably burnin' it down  
You don't wanna be seen rollin' in my bar  
'Cause everybody here knows how you broke my heart  
Stay out of dodge, stay out of my life, stay out of this town  
And stay on your side of that county line

You prolly think it's funny  
What you're doin' to me  
I'm really dyin' inside  
Look what you're doing to me  
You prolly think it's funny  
What you're doin' to me  
I'm really dyin' inside  
Look what you're doing to me

I thought we'd be forever  
But you couldn't make up your mind  
And maybe you'll remember when you kiss him  
You used to sleep here every night  
Maybe he's makin' more money than I can  
Maybe he's got more followers on Instagram  
Maybe he can get you off my mind

And maybe stay on your side of that county line  
'Cause you've got your friends, darlin', I've got mine  
I heard you're in town, been ridin' around  
With somebody new and probably burnin' it down  
You don't wanna be seen rollin' in my bar (In my bar)
