

Crazy Girls

Chase Matthew

Fogging up the windows, parking lot
Getting hot and heavy in the back of her car
The same night she throws all of my shirts
In the dirt out in the front yard, huh
Oh, but who am I fooling?
Yeah, I'm addicted to it
How they go zero to ten
To 27 missed calls
Don't know why she's pissed off
Here we go again

I'm always falling for them crazy girls
Tell me off just to call me baby, girl
The kind you go out of your mind about
'Cause if you keep 'em around
They'll burn your heart and your house down
I'm talking that 2 a.m.
Banging on your door, screaming "Let me in"
I do and then they kiss me, they cuss me
They hate me, they love me all night
I guess that's why
I'm always falling for them crazy girls

One look, I'm a sucker, love everything
From her wild eyes to her thigh high boots
She's still a knock out dream even when she makes me think
What the hell I'd get myself into
Maybe I'm a little crazy too

I'm always falling for them crazy girls
Tell me off just to call me baby, girl
The kind you go out of your mind about
'Cause if you keep 'em around
They'll burn your heart and your house down
I'm talking that 2 a.m.
Banging on your door, screaming "Let me in"
I do and then they kiss me, they cuss me
They hate me, they love me all night
I guess that's why
I'm always falling for them crazy girls
(I'm always falling for them crazy girls)

It always ends in a wreck and a mess
Lord knows I should give all that crazy a rest, yeah
Oh, but who am I fooling?
Yeah, I'm addicted to it
How they go zero to ten

I'm always falling for them crazy girls
Tell me off just to call me baby, girl
The kind you go out of your mind about
'Cause if you keep 'em around
They'll burn your heart and your house down
I'm talking that 2 a.m.
Banging on your door, screaming "Let me in"
I do and then they kiss me, they cuss me
They hate me, they love me all night

I guess that's why
I'm always falling for them crazy girls, yeah
I'm always falling for them crazy girls
That's why, that's why I'm
I'm always falling for them crazy girls
