

# Downtown

Chase Matthew

You been hanging under neon lights  
You've been kicking it with all my friends  
I don't know how you sleep at night  
But, baby girl, you know it never made sense  
I was sipping something strong when I saw you  
Now every time I see a seven wanna call you  
I just wish this town would close that red door

'Cause we were under them Broadway lights  
When I thought you and I  
Would stay together  
Last forever  
Until the end of time  
I used to love them beat-up floors  
'Til you walked out that door  
I'd be torn up if I saw you, baby  
So I don't go downtown anymore

So I don't go downtown anymore

So now I give my time to this six-string  
Hoping maybe it could set me free  
This wasn't how it was supposed to be  
You find me in the cut of Tennessee  
'Cause every time I think it's over  
It's not over yet  
And I ain't even found a little bit of closure yet  
My buddy's calling asking  
If I'm finally over it  
But I just can't

Get over them Broadway lights  
When I thought you and I  
Would stay together  
Last forever  
Until the end of time  
I used to love them beat-up floors  
'Til you walked out that door  
I'd be torn up if I saw you, baby  
So I don't go downtown anymore

If I could get rid of every damn memory  
Burn the book with the chapter of you and me  
It wouldn't be so hard  
In the neon dark  
Trying to fight  
What might have got the best of me

Under them Broadway lights  
When I thought you and I  
Would stay together  
Last forever  
Until the end of time  
I loved them beat-up floors  
'Til you walked out that door  
Can't give you up  
But I know one thing is for sure

I'd be torn up if I saw you, baby  
So I don't go downtown anymore
