Fall For Those I's

Chase Matthew

I've been swimming in those Carolina blues
Doing what I know I probably shouldn't do
Soon as I see 'em I'm off the deep end
I get lost, forget the reasons
And every single thing I thought I knew
When you say, "I'm sorry. I love you. I hate that
Every single minute that we've been apart
I need you. I want you. I'm ready
I swear this time I'll never break your heart."
I know better than to buy that
But one look, girl, and I'm right back
You'd think by now I'd realize
Not to fall for those "I"s

And for a minute everything's like it's supposed to be
And it feels like my whole world's staring back at me
But you'll be gone just like that
And I'm back lonely wondering where you're at
And I can't believe that I fell for you
Saying the same damn things that you always do

"I'm sorry. I love you. I hate that
Every single minute that we've been apart
I need you. I want you. I'm ready
I swear this time I'll never break your heart."
I know better than to buy that
But one look, girl, and I'm right back
You'd think by now I'd realize
Not to fall for those "I"s
Don't fall for those "I"s
Yeah

"'Cause I'm sorry. I love you. I hate that
Every single minute that we've been apart
I need you. I want you. I'm ready
Swear this time I'll never break your heart."
I know better than to buy that
But one look, girl, and I'm right back
You'd think by now I'd realize
You'd think by now I'd remember why
Not to fall for those "I"s
Don't fall for those "I"s
Yeah
