

Make A Memory

Chase Matthew

I don't know how we got here, baby
But here we are
I'm just some guy and this is just some bar
Just another ride home in the back of some car
But a girl like you is typically too far
Out of reach for a guy like me
Don't worry about breaking my heart
So, girl I'm begging, please

Rip me up
Wreck my world
Tear me into pieces
Make it real
Girl, until
The only thing on me is
You slow summer silhouette in the fire light
Burn it down to the ground just for one night
If you're gonna love and leave at least
Make a memory outta me
Make a memory outta me

I know it's just a one-night stand
And love can't give what one night can
But you keep holding onto these one-night hands
Like you wanna be more than some one-night friends
You can drive, girl. Here's the key
Maybe I can be the one to set you free
Ain't worried 'bout where it leads
So, baby, make a memory out of me

Rip me up
Wreck my world
Tear me into pieces
Make it real
Girl, until
The only thing on me is
You slow summer silhouette in the fire light
Burn it down to the ground just for one night
If you're gonna love and leave at least
Make a memory outta me
Make a memory outta me

Make a memory outta me

Make a night
Make a night that you won't forget
Burn me right
Burn me right
'Til there's nothing left
Get me high
Get me high
'Til you're on to the next
But until then

Rip me up
Wreck my world
Tear me into pieces

Make it real
Girl, until
The only thing on me is
You slow summer silhouette in the fire light
Burn it down to the ground just for one night
If you're gonna love and leave at least
Make a memory outta me
Make a memory outta me
Memory outta me

I don't know how we got here, baby
I'm just some guy and this is just some bar
Just another ride home in the back of some car
But a girl like you is typically too far
So, baby, make a memory outta me
