

Sunrise

Chase Matthew

Just got to the bonfire with everybody I know
No tellin' what'll happen tonight at the end of this dirt road
Kick back with a cold one, I got a couple on ice
Yeah, there's somethin' 'bout raisin' some hell
And stayin' up 'til the sunrise

Somethin' 'bout hangin' out here, out here
Somethin' 'bout feelin' that vibe
We kick on back, singin' Johnny Cash
Tonight, we walk the line
It's like backroadin' with your best friend, best friend
Out here where the road ends
And we're all good, knock on wood
We'll be havin' us a good time

Yeah, we'll be alright, yeah, we'll be alright
We're stayin' up, stayin' up 'til the sunrise
Yeah, we'll be alright, yeah, we'll be alright
We're stayin' up, stayin' up 'til the sunrise, yeah

Square toes on a dance floor
And then you give me them eyes
Say you're wantin' just a little bit more
Girl, you know my truck's right outside
Hey, we can go and hit a backroad
Hittin' all them curves with an old soul
Ain't no tellin' how far we'll go
'Cause, baby, all that I know

Somethin' 'bout hangin' out here (Oh)
Somethin' 'bout feelin' that vibe (Yeah)
We kick on back, singin' Johnny Cash
Tonight, we walk the line (Walk the line)
It's like backroadin' with your best friend, best friend
Out here where the road ends
And we're all good, knock on wood
We'll be havin' us a good time

Yeah, we'll be alright, yeah, we'll be alright
We're stayin' up, stayin' up 'til the sunrise
Yeah, we'll be alright, yeah, we'll be alright
We're stayin' up, stayin' up 'til the sunrise, yeah
Be alright, yeah, we'll be alright (Oh, yeah, we'll be alright)
We're stayin' up, stayin' up 'til the sunrise (Everything's gonna be alright
)
Yeah, we'll be alright, yeah, we'll be alright (Hey, oh-oh)
We're stayin' up, stayin' up 'til the sunrise, yeah (Hey)
(Be alright, yeah, we'll be alright)
Somethin' 'bout hangin' out here, out here
(We're stayin' up, stayin' up 'til the sunrise)
Everything's gonna be alright
Yeah, we'll be alright, yeah, we'll be alright
We're stayin' up, stayin' up 'til the sunrise
