

## Dirt Road Communion

Chase Rice

When I saw her for the very first time I was 007 at the age of 9  
Hiding in the backseat of my brother's brand new Jeep  
There were girls dancin' in the bed of the trucks  
At least the ones who weren't gettin' stuck.  
Coolers, cans and cut-offs were all new to me  
Well that was then, but now I'm grown and how we went that night  
I still go when the weekend rolls around

I'll be gettin' down, gettin' loud, gettin' some  
Gettin' high up under the moonlight  
It's a bring your own booze contribution  
We got beer and good ole boys, good ole girls  
Gettin' backwards in a backwoods world  
Sunday morning we'll have a get-right reunion  
Oh but tonight it's on, pass the jar around  
Get so far gone we come unwound  
We ain't lost we can be found at the dirt road communion  
Oh, dirt road communion

It's where I got my first moonshine kiss  
I could taste the cinnamon on her lips  
In the front seat of my brother's ole hand-me-down jeep  
Where I was baptised in rock'n'roll  
Our country roots run deep in my soul  
We hold one up high every single time Petty sets us free

Yeah, we're gettin' down, gettin' loud, gettin' some  
Gettin' high up under the moonlight  
It's a bring your own booze contribution  
We got beer and good ole boys, good ole girls  
Gettin' backwards in a backwoods world.  
Sunday morning we'll have a get-right reunion  
Oh but tonight it's on, pass the jar around  
Get so far gone we come unwound  
We ain't lost we can be found at the dirt road communion  
Oh, dirt road communion

It's who we are, it's what we do  
We all come from miles around  
Just to do a little...

Gettin' down, gettin' loud, gettin' some  
Gettin' high up under the moonlight  
It's a bring your own booze contribution  
We got beer and good ole boys, good ole girls  
Gettin' backwards in a backwoods world  
Sunday morning we'll have a get-right reunion  
Oh but tonight it's on, pass the jar around  
Get so far gone we come unwound  
We ain't lost we can be found at the dirt road communion  
Dirt road communion  
Oh, dirt road communion
