

LIMERENCE

Chase Shakur

Baby just call on me, it's been a while (a while)
Since I felt your love, my a mi amor
This time I give you more, more to just remember
Cause baby girl I don't remember
The last time I saw your name
In my phone (phone), tonight it's you

Stop my selfish ways for you
Trying to give my love to you, take no more
Fuck you til you can't take no more, say the word
(Love it when I talk to you like that)
(Love it when I talk to you like that)
(Love it when I talk to you like that)
(Love it when I talk to you like that)

(I love, I love, motions)
(I love, I love, motions)
(I love, I love, motions)
(I love, I love)

I know what you going through girl
That man couldn't hold your great for nothing
But I'm coming to you, fuck that shit
Know you love my shit, fell in love like this
Fell in love with ideas? Traded clown niggas for real?
Had to trade it for your feels, oh no no

Tonight it's you, stop my selfish ways for you
Trying to give my love to you, take no more
Fuck you til you can't take no more, say the word
(Love it when I talk to you like that)
(Love it when I talk to you like that)
(Love it when I talk to you like that)
(Love it when I talk to you like that)

(I love, I love, motions)
(I love, I love, motions)
(I love, I love, motions)
(I love, I love)
