

Yeah, man, like
Just coming out of the rave innit
It's like with my friends innit
Pick them up, 5 in the morning
Just had the best time innit
Raving, man, eyes shut
Just zoning out, man
Feels like ecstasy, man
Literally
Like took you to another place
It just feels
Just euphoria

Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe

Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
Work, babe
Get work, babe
