## Chase & Status

I've been so low, will you get me down?  
I've been so low, let you bring me down,  
Been chasing, eyes, yeah you bring me down,  
I don't know, why you bring me down.

Show.  
Well make it right?

We're wasting time!

Oh, ay oh, ay oh, ay oh...  
Hey now!

Aye.  
Get ready.  
Aye.  
Get ready.

Oh, we'll find a way,  
When you ride out, on judgement day,  
Oh, can it take you there,  
On the day, on the day I...

Show.  
Well make it right?  
Show.  
We're wasting time!

Oh, ay oh, ay oh, ay oh...  
High.

High aye...

I've been so low, will you get me down?  
I've been so low, let you bring me down,  
Been chasing, eyes, yeah you bring me down,

There's strangers in the back street battling me,  
Guns can't protect the think you are fooled,  
Look big man I've nothing to loose.  
Some of them are righteous, some of them are fools.  
Burn the system we'll burn you down,  
Smash up the windows into the cloud,  
Burn the system we'll burn you down,  
Smash up the windows into the cloud.
