

Censor

Chase & Status

We no give a fuck who don't rate us
Unruly and Chase and Status
Done tell you say we thing them can't, thing them can't censor
Fire gunshot anytime, anywhere
We them can't send for
With whole heap a, whole heap a ammunition
Thing them can't censor
No killly [?] nah fear the mission

'Cause no man can tell me weh fi do
Man a big general, a who you?
You no see say big man a pass through?
Anything a anything, so weh you want do?
Badman thing a weh she want
She no want no idiot boy weh send gyal
Bend it up back 'til the leg can't walk
Mash it mad 'til the kitty start talk

Done tell you say we thing them can't, thing them can't censor
Fire gunshot anytime, anywhere
We them can't send for
With whole heap a, whole heap a ammunition
Thing them can't censor
No killly [?] nah fear the mission

Boy could a thick like broad gate (Weh)
Tell the little pussy them no bother paly brave
Boy ends a wet up when the Uzi start wave
Pussy diss the IRAH, a coffin and grave (Yeah)
Bullet can't [?]
Use the chrome thing and make it fall black rain
Have them gun out, them nah bring it 'pon main
Mini and E5 fill them with grain
Shot in a him brain (Yeah)

Done tell you say we thing them can't, thing them can't censor
Fire gunshot anytime, anywhere
We them can't send for
With whole heap a, whole heap a ammunition
Thing them can't censor
No killly [?] nah fear the mission

Done tell you say we thing them can't, thing them can't censor
Fire gunshot anytime, anywhere
We them can't send for
With whole heap a, whole heap a ammunition
Thing them can't censor
No killly [?] nah fear the mission
