

# Flashing Lights

Chase & Status

Even if I told you  
It's like I see my whole life

Even if I told you I know you won't believe  
It's like I see my whole life  
Flashing right before me  
So even if I told you  
It's like I see my whole life  
Flashing right [x34]

Even if I told you I know you won't believe  
It's like I see my whole life  
Flashing right before me  
So even if I told you I know you won't believe  
It's like I see my whole life  
Flashing right before me

It's like I see my whole life

So even if I told you  
It's like I see my whole life  
Flashing right [x19]  
Before me!
