

In Love

Chase & Status

Try to explain
I know its complicated
But I still have this feeling
More serious than butterflies
My inside's so sore
Finding it hard to let go
Cause I'm still - I'm still in love,
oh, with you babe, i'm in love,
i'm in love with you babe,
i'm in love, i'm still in love with you babe,
said i'm in love, i'm still in love with you babe.

Here we are again
I know I shouldn't give in
But I crave the feeling
Of you giving it back to me
Makes me want you more
Know that this is wrong
But im still - I'm still in love,
i'm in love with you babe,
i'm in love, i'm in love with your heart,
i'm in love, i'm in love with you babe,
i'm in love, im still in love,
i'm still in love...
