

Let You Go Brookes Brothers Remix

Chase & Status

You say,
We can't go on this way,
Things have got to change,
When your gone,
And each day,
A choice gets made,
You think it's yours to make,
But your wrong,

There's nowhere to run,
No place you can go,
Nowhere you can hide,
Where you won't be found,
There's no place on earth,
Where you could lay low,
Wherever you are,
I will track you down,
There's no way in hell,
I will let you leave,
Let you just get up,
And walk out on me,
There's no way on earth,
Hell would have to freeze,
More than twice before,
I will let you gooooo!,

let you....go!,,

I will let you go!
