An acquired taste like salt and vinegar

I didn't like that chick, I can't lie, I got sick of her
And then the life kicked in, I can't lie, I got pickier
It's time to wipe that grin, and now my life got prettier
I'm in a blacked-out whip, but got the white interior
You man are talking Ps, but in a bright insignia
Yeah we're the silent Gs, we're gonna ride, bring Syria
A little light 16, these little guys just trivia
