Run Up

Chase & Status

Listen
Make the trap line flick, call it Afro trap
Frontline ting, four-fours get crashed, no B.S.
Of course gang right 'bout that
BBL arse, she'll come back
Had enough of the talk, yo, unlock the car and attack
Fuck my status, I'ma chase that cat if they ain't paid back
The trap line flicks, call it Afro trap

Grrrrrt! Ugh!
Three-two for the passa, hope he's not fencing (Baow! Baow! Baow!)
Grrrrrt! Ugh!
Three-two for the passa, hope he's not fencing (Baow! Baow!)
