Sugarcaine

Chastain

Seven after midnight, smoked her last cigarette She is waiting on a stranger, paying off a debt She's giving blood for a little life of her own You know to ease that pain She gets high on Sugarcaine She confides in Sugarcaine Now she's got a little problem leaving well enough alone Blinded by a feeling when she falls for mr. Jones, Dealing with addiction Giving herself away for some more And it's on in the same She gets high on Sugarcaine She confides in Sugarcaine Now don't even try to tell her 'cause she's heard it all before Gonna come to the conclusion when her body hits the floor She knows she's only got herself to blame So it's O.K., it's O.K. She gets high on Sugarcaine She confides in Sugarcaine She gets high on Sugarcaine

She gets high on Sugarcaine Shes gonna die on Sugarcaine Sugarcaine
