

## Cool Slut

## Chastity Belt

We're just a couple of sluts  
Going out on the town  
Fooling around

Getting all dressed up  
Just to dress back down  
Ooh

To all the girls in the world  
Trying to take off their shirts  
Ladies it's okay to be  
It's okay to be slutty  
Ooh

We're just a couple of sluts  
So what?  
We like to fuck

We just wanna have some fun  
Try to bone everyone  
Ooh

To all the girls in the world  
Trying to take off their shirts  
Ladies it's okay to be  
It's okay to be slutty  
Ooh
