

## Different Now

Chastity Belt

You're hard on yourself  
Well you can't always be right  
All those little things that keep you up at night  
You should take some time to figure out your life  
But you're stuck indoors and thinking poorly

You'll find in time  
All the answers that you seek  
Have been sitting there just waiting to be seen  
Take away your pride and take away your grief  
And you'll finally be right where you need to be

Take all of it, take everything you're owed  
'Til you finally feel okay being alone  
Yeah it's different now  
Yeah it's different now, you're old

And you try and you try and you try and you try
