Chastity Belt

If I'm being on honest, lately I'm not feeling great
I think it'll take some time, made a couple mistakes
I think it's my ego that's been bringing me down
I spend so much time with my head up in the clouds

It's funny

Melody let me watch her dance with her eyes closed
I saw the petals fall from the aging rose
I saw the garden that she tended out back
"Isn't life so normal?" She looked at me and laughed
