

## It's Obvious

### Chastity Belt

A pretty man with a lot of hobbies  
I can see right through you  
I can hold your interest but only for a short time  
And it feels freeing to lose

It's obvious  
It's obvious  
It's obvious  
I'm stuck on it

Kill time in between the fake lies  
Then gain a sense of self  
Try to get to a place of stillness  
Wonder what it feels like not to care

It's obvious  
It's obvious  
It's obvious  
I'm stuck on it
