

## James Dean

### Chastity Belt

This is sex  
This is war  
This is me fucking you on the dance floor

You're a slut  
I'm a whore  
We've fucked everyone before

Oh boy, when I fuck you  
You make me feel like a prostitute

These drugs  
Fuck with our heads  
Make me take you to bed

Oh boy, when I fuck you  
You make me feel like a prostitute  
Yeah, when you fuck me  
I make you feel just like James Dean
