

Time to Go Home

Chastity Belt

Yeah, we were sitting in silence
Nothing worthwhile to say
Wanting something that would cut deep
We're gonna have a meaningful night

Ooooh, I can't see straight
Ooooh, the room is spinning

I just want to have a good time
I hope you have a strong heart

Ooooh, I can't see straight
Ooooh, the room is spinning

Everything is beautiful
Because we're delusional
Yeah, I think I figured it out
Yeah, I think I figured it out

Time to go home, time to go home, time to go home
